

# NEXT MOVE

*From Indian Farms to Global Plates*

# About Us

Next Move is a trusted exporter of premium-quality food products, committed to delivering consistent supply while adhering to internationally recognised standards. Our operations are structured to be reliable, scalable, and efficient, enabling seamless collaboration with importers, distributors, and retailers across global markets.

Headquartered in New Delhi with an established international presence in Singapore, we bring extensive expertise in global trade, strategic sourcing, and international distribution. Our primary objective is to supply products that meet stringent global requirements, supported by a robust and scalable supply chain.

We offer a comprehensive portfolio of over 200+ SKU's across a wide range of categories including plant-based soy products, premium rice, pulses, authentic spices, makhanas (fox nuts- plain & flavoured), mustard oil, freeze dried & dehydrated products, food powders, millet flours, noodles & pastas, traditional Indian sweets & speciality tea range.

All products are 100% vegetarian and manufactured under strict quality assurance, food safety, and hygiene protocols, ensuring consistent quality, regulatory compliance, and reliable shelf life for international distribution.

## Mission

To deliver authentic, high-quality food products with consistent supply, aligned with international standards, while addressing the evolving requirements of global consumers.

## Vision

To be recognised as a globally trusted exporter, known for dependable service, scalable operations, and enduring international partnerships.

## Our Strengths

- Established exporter with proven international experience
- Extensive portfolio of 200+ high-quality SKUs
- Strong adherence to global food safety and quality standards
- Reliable and consistent supply chain capabilities
- Scalable operations designed to meet growing demand
- Streamlined processes ensuring efficient coordination
- Reputation built on integrity, reliability, and long-term partnerships

# Reimagining Food, Sustainably

At Next Move, we are committed to building a more compassionate and sustainable future by transforming the way the world eats. Our plant-based innovations bring together exceptional taste, balanced nutrition, and conscious responsibility in every bite.

## versatile. delicious. limitless.

From rich, slow-cooked curries to sizzling stir-fries and wholesome wraps, our plant-based meat integrates effortlessly into any cuisine—offering a seamless replacement for traditional meat without compromise.

## OUR VALUES

### GOOD FOR YOU

High in protein. Rich in essential nutrients. Crafted from clean, soy-based ingredients with no adulteration<sup>x</sup> and no added preservatives—delivering quality that customers can trust and invest in.

### GOOD FOR ANIMALS

100% plant-based. Zero harm. An ethical and conscious food choice. Because exceptional taste should never come at the cost of life.

### GOOD FOR THE PLANET

A smarter, more sustainable choice. Helping reduce the environmental impact of animal agriculture—one meal at a time.

## Replace Meat, Not the Experience.

Savor the aroma. Authentic taste. Satisfying texture. Reliable performance. Watch flavours develop and natural richness unfold—just like traditional meat.

## CHICKEN TENDER TESTE

**TASTE THE CHANGE, FEEL THE DIFFERENCE.**

Sumptuous. Affordable. Accessible. The future of food, crafted for everyone.
